# ICT – Six Focal Points

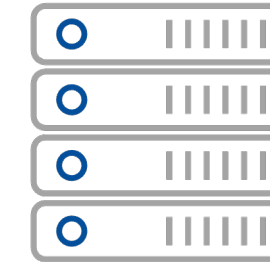

## Cloud Services

Outsourcing of IT or an area. You pay for what you need, when you need it.

## Client

- Workstations
- Managed workplace
- Home working

## Server

Administration, updating of client server environments, software distribution.

## Maintenance and monitoring

BITS maintenance at fixed, budgetable costs.

## Security

- Virus protection
- Anti-virus
- Network backup

## Consulting

Are you planning on updating your IT?  
We provide sensible, efficient, and cost-effective solutions.

# Central Service Desk

Ensures the effective operation

**24/7**

On-call duty

Coordination to  
**2nd Level**  
and specialists

# Our Trainings

for smooth operation

## Basics / Modules / In-Depth

- Training for all solutions offered by the product portfolio (Boss Info Stack)
- Own training centres and online courses
- Standard and customised training
